How to make a call

- 1. Enter '+' (hold down the + key until you see a + on your screen).**
Start dialing the number with the '+' for all calls.
- 2. Enter the country code, area code (without the leading 0) and phone number.**
61 for Australia, 44 for the UK, 64 for New Zealand, etc.
- 3. Press the call key or similar.**
Ignore any messages shown on your screen such as 'Call barred; Call blocked; Not allowed' or similar. You will be disconnected for 10-30 seconds then your phone will call back.
- 4. Answer the call normally.**
Your call will be connected after a few seconds.
- 5. Hang up once you finish the call.**

How to contact me while I'm away

My mobile number is:

1. Dial toll free from a landline or payphone:
In Australia dial **1-800-261-038**
2. Listen to the voice prompts and enter my mobile number.

Or you can call me direct:*

From **Australia** dial 0011 before my mobile number.

* International call charges apply.

Text Messages

- The destination number should be entered as described on the 'How to make a call' section, always starting with the + sign.
- If your phone displays "Message not sent", either the destination number cannot be reached or your calling credit is low (you may need to recharge your account).
- Text messages should be no longer than 160 characters.
